

This technical drawing shows a detailed cross-sectional view of a mechanical assembly. The main body consists of several stacked cylindrical components. A large horizontal cylinder at the top left is labeled 37. Below it, a central shaft or rod passes through multiple parts. On the right side, there's a complex arrangement of smaller components, including what appears to be a valve or actuator mechanism. Labels include 36, 35, 38, 32, 33, 34, 21, 13, 14, 15, 16, 17, 18, 19, 20, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.
